

# Third International Workshop on Measurement and Computation of Turbulent Nonpremixed Flames

Boulder, Colorado  
July 30 – August 1, 1998

## Pre-Registration

Please provide the following information by **April 15, 1998** to allow the organizers to gauge interest, reserve appropriate facilities, and determine registration fees. Depending on the level of interest, it may be necessary to limit attendance to maintain the productive atmosphere of a small workshop. A tentative upper limit has been set at eighty.
